

FIG. 1 (PRIOR ART)

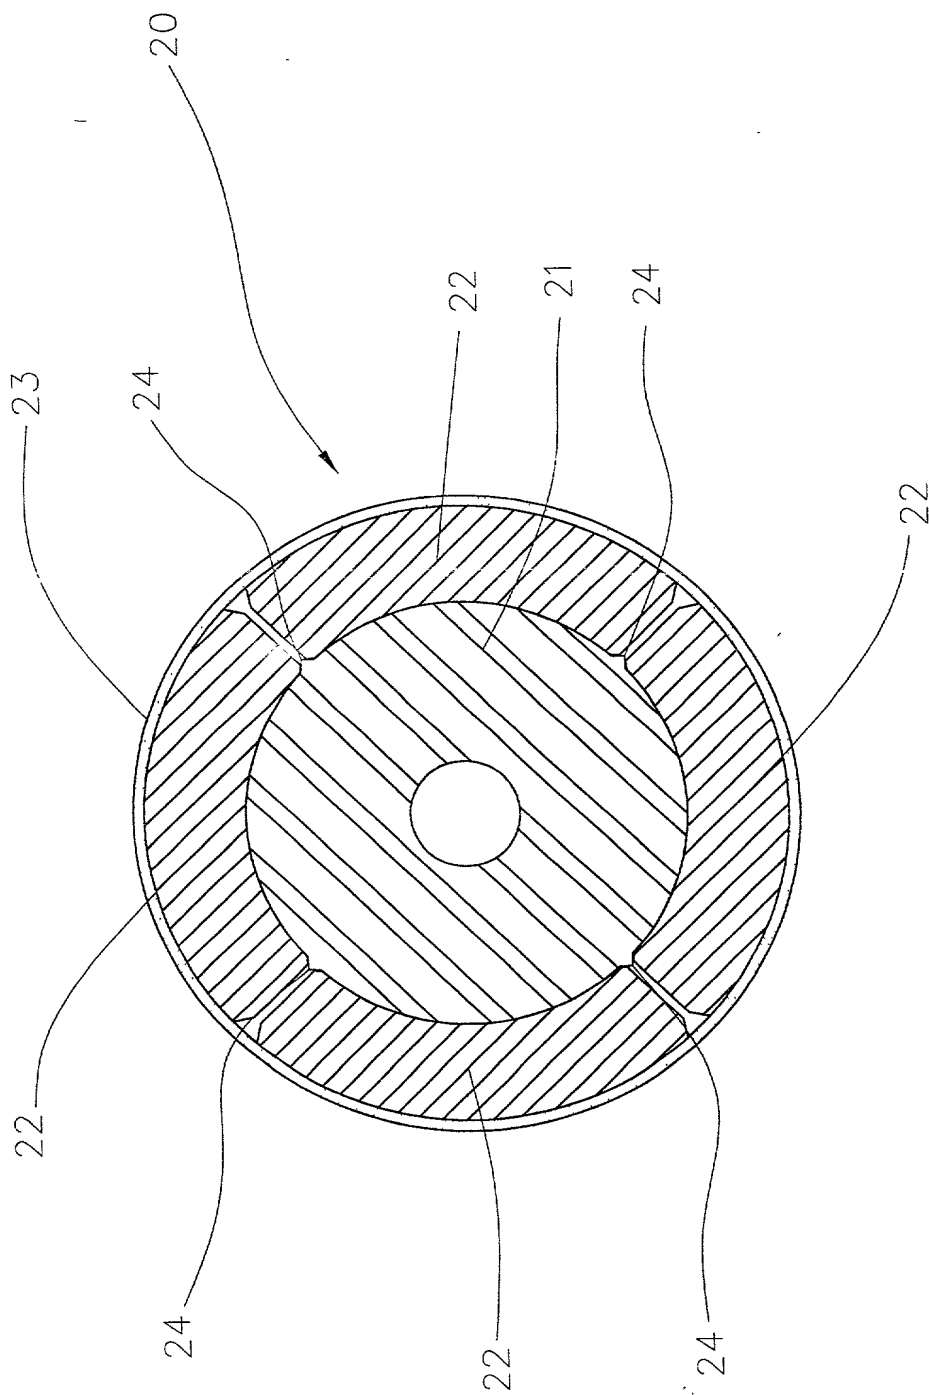

FIG. 2 (PRIOR ART)

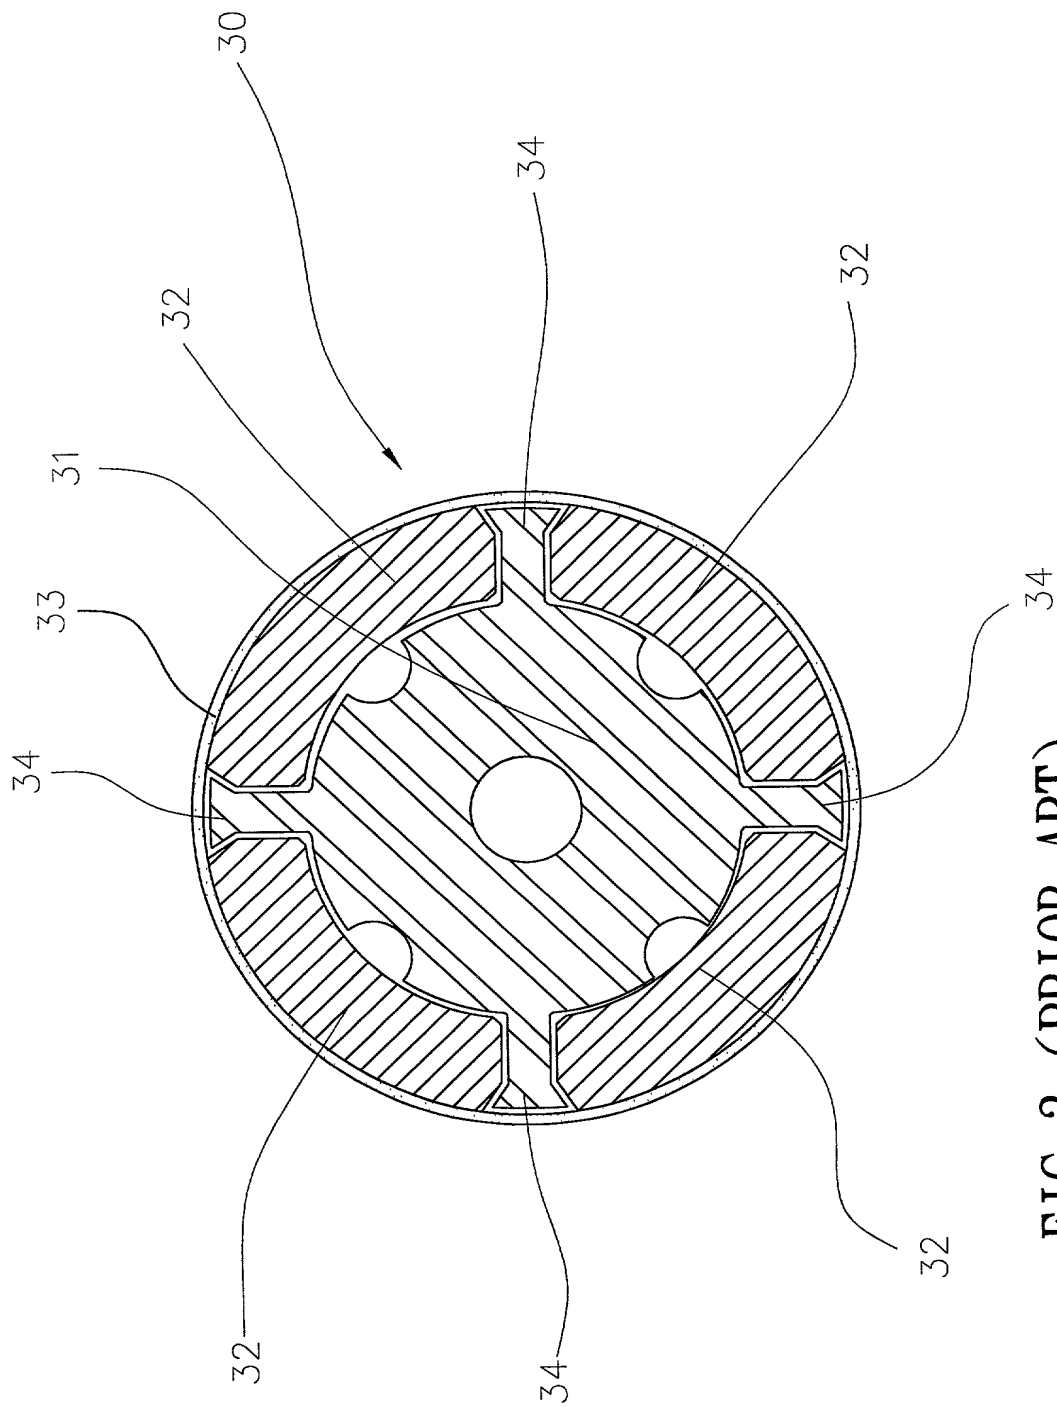

FIG. 3 (PRIOR ART)

FIG. 4A is a perspective view of a mechanical assembly 40. The assembly includes a base 41, a first member 42, a second member 43, and a third member 44. The first member 42 is connected to the base 41 via a first joint 411. The second member 43 is connected to the first member 42 via a second joint 421. The third member 44 is connected to the second member 43 via a third joint 441. The assembly is shown in a perspective view, with the base 41 at the bottom, the first member 42 in the middle, and the second member 43 and third member 44 extending upwards. The joints 411, 421, and 441 are shown as circular features with internal details. The members 41, 42, 43, and 44 are shown as elongated, curved shapes. The assembly is shown in a perspective view, with the base 41 at the bottom, the first member 42 in the middle, and the second member 43 and third member 44 extending upwards. The joints 411, 421, and 441 are shown as circular features with internal details. The members 41, 42, 43, and 44 are shown as elongated, curved shapes.
